Maintenance Organisation Approval Certificate

Reference: CH.145.0363

Pursuant to Regulation (EU) No 2018/1139 of the European Parliament and of the Council and to Commission Regulation (EU) No 1321/2014 for the time being in force and subject to the condition specified below, the Federal Office of Civil Aviation hereby certifies:

AMAC AEROSPACE (SWITZERLAND) AG

CH-4051 Basel, Sternengasse 18

as a maintenance organisation in compliance with Section A of Annex II (Part-145) of Regulation Commission Regulation (EU) No 1321/2014, approved to maintain products, parts and appliances listed in the attached approval schedule and issue related certificates of release to service using the above references and, when stipulated, to issue recommendations and airworthiness review certificates after an airworthiness review as specified in point M.A.901(l) of Annex I (Part M) to the same Regulation for those aircraft listed in the attached approval schedule.

Conditions:

1. This approval is limited to that specified in the scope of work section of the approved maintenance organization exposition as referred to in Section A of Annex II (Part-145), and
2. This approval requires compliance with the procedures specified in the approved maintenance organization exposition, and
3. This approval is valid whilst the approved maintenance organisation remains in compliance with Annex II (Part-145) of Regulation (EU) No 1321/2014.
4. Subject to compliance with the foregoing conditions, this approval shall remain valid for an unlimited duration unless the approval has previously been surrendered, superseded, suspended or revoked.
